Online Court Booking System

Dear Member

CTC are introducing a new online court booking system! Use it from your smart phone, tablet or PC simply by clicking on the link from the club's home page at <http://www.chiptennisclub.co.uk/> or directly here:

<http://www.clubsite.co/facilities.php?club=CHIPPERFIELD>

Key points to note are:

- The booking of online courts commences 24th April 2016 in order to start booking courts for w/c 8th May (i.e. 2 weeks ahead)
- The paper system will no longer be in use from the 24th April for future bookings
- Online booking means that all members have equal access in making a booking
- You can easily see what's happening on the courts, now and into the future
- Using the system is very simple, see details below or go to http://www.youtube.com/watch?v=yH54gDA_bZI to see a users guide
- To quickly access the system just go to the **ONLINE BOOKING LINK** :

<http://www.clubsite.co/facilities.php?club=CHIPPERFIELD>

- follow the link to 'court bookings', sign-in and then click on '**Bookings and Availability**'
- Court priority will go to members who have booked a court
- To change your password go to 'My Details' and click on 'Member Access Data'
- If you wish you can also add your contact details which will only be visible by other signed in club members
